

Cancellation and Refund Policy

Cancellation and Refund Policy

As all services provided by Goodwill Coder are digital and begin after confirmation, we follow a strict no-refund policy.

1. Cancellations are only accepted if the project has not been initiated.
2. Once the service has been started or delivered in part or full, no cancellations or refunds will be processed.
3. For subscription-based services, cancellations must be communicated at least 7 days prior to the renewal date.

For any queries, contact us at goodwillcoder@gmail.com.
